Dear Sirs

**Ms C Morrissey & University of London**

I acknowledge receipt of your letter of 30 September 2015 addressed to Laura Leamont.

I have discussed the contents of your letter with the Deputy Chairman and Members of the Panel appointed to determine this complaint.

The 1992 Act gives the CAC only limited powers to review its decisions and the Panel does not have jurisdiction to consider amending its decision or to consider granting the stay you have requested.

You may be able to ask the EAT to process your appeal on an expedited basis.

I have copied this reply to Ms Morrissey.

Yours faithfully

Simon Gouldstone  
Chief Executive
